### Registration

Registration is only available online. Please visit the website: <http://kid123.ntpc.edu.tw>

#### Registration instructions:

The registration website (<http://kid123.ntpc.edu.tw>) is connected to the systems of the city's social welfare and civil affairs databases. After parents sign up for registration, the identity and the eligibility of the preschoolers will be checked. The registration is not complete until the systems confirm the identity and eligibility. For applicants who cannot be fully confirmed by the systems, parents or legal guardians of the preschoolers are required to send further documents to the kindergarten to complete registration.

- For applicants who can be confirmed by the systems: The enrollment system is linked to the systems of the city's social welfare and civil affairs databases. The registration is not complete until both the identity and the eligibility of the preschoolers are confirmed.
- For applicants who cannot be fully confirmed by the systems: Parents or legal guardians of the preschoolers are required to send further documents to the kindergarten before the required time. The enrollment registration is not complete until the identity and the eligibility of the preschoolers are confirmed.
